Fresh out of school, she makes her own rules
Katy's havin' the time of her life
She's talkin' to George, the bookie next door
Seven phones ringin' day and night

Crazy Annette, she drives a Corvette
While her daddy pays all the bills
The health nut upstairs
Who is always prepared with fruit and vitamin pills

I said neighbors, every face a storybook
Night and day participators starring in my
neighborhood
I said neighbors, some are you and some are me
Every window's a theater, every doors a mystery, uhh

Ooh, Troy's a playboy, his phone books a toy
Falls in love each day of the week
Candy & Kim, identical twins
Broke his heart, they're playin' for keeps

Rumors, don't stop 'bout the room at the top
Mrs. Jones, she's never been seen
Room #2 is red, white and blue
Sarge is proud, he's an ex-marine

I said neighbors, every face a storybook
Night and day participators starring in my
neighborhood
I said neighbors, some are you and some are me
Every window's a theater, every doors a mystery
Hey love, hey, hey, uhh

Ooh, and I'm telling all
I said neighbors, ow, every face a storybook
Night and day participators starring in my
neighborhood
I said neighbors, some are you and some are me
Every window's a theater, every doors a mystery

I said neighbors, every face a storybook
Night and day participators starring in my

neighborhood

I said neighbors, some are you and some are me
Every window's a theater, every doors a mystery

Yeah, yeah, neighbors, neighbors

Yeah, yeah, neighbors, neighbors

Yeah, yeah, neighbors, neighbors
