"Come On Feel The Ecstasy"

Visit "[Come On Feel The Ecstasy](#)" on MotoLyrics.com

So shy you seem, careful to care not at all.
Spin around, spin around
Clinging to your heart so it won't fall.
But what is the truth under the mask that you wear?
Let it go, let it go
Throw away the foolish pride inside.

Follow the magic in the music,
All of your wildest dreams come true.
Don't be afraid of your emotions,
Think of what's waiting for you.

A brand new world opens up its loving arms to you.

Wake up, desire! (I need you, don't you know?)
Light up your fire! (I love you, don't you know?)
Go cast your spell and make her love me,
Please, please, please!
Wake up, desire! (I want you, no, no, no!)
Light up her fire! (I love you, no, no, no!)
Old devil rhythm, turn her heart to me.

You turn away, claiming you want to be free
Spin around, spin around
Warm and safe inside your loneliness.
But don't be afraid of heartbreaks that may never be.
Let it go, let it go
Take away the mask and look my way.

Open your mind and feel the music,
Ride on the tide of the swelling tune.
Fighting your heart is like a wave
Fighting the pull of the moon.

Look in my eyes, can't you see I want you here in my
arms?

Wake up, desire! (You want me, don't you know?)
Light up your fire! (You need me, don't you know?)
Go cast your spell and make her love me,
Don't leave me hanging on forever,

Stop, stop! (Baby, come on! Don't stop the music!)
Wake up, desire! (I want you, no, no, no!)
Light up her fire! (I love you, no, no, no!)
Old devil rhythm, bring her love to me.

Come feel the ecstasy,
Come dance away with me,
Hold me tight, hold me tight!

Wake up, desire! (I want you, no, no, no!)
Li
