Hey, hey you
I'm always telling you the truth
Oh, my dear
I'm beggin' you don't leave me here
So don't run
Don't run away, don't run away -
Don't run away

Look at me
I'm a picture of misery
I've turned to dust
Just because you've lost your trust
So don't run
Don't run away, don't run away -
Don't run away

And do you feel
That I'm burning like an almond tree
My heart is losing sweetness
On Monday you seeded me,
On Tuesday I was fine,
On Wednesday I saw the sun
On Thursday I went blind
On Friday you burned me down
Look what you've done

Take your time
And maybe you will change your mind
And I will rise
Like a phoenix towards the light
So please don't, don't run away
Don't run away, don't run away

And do you feel
That I'm buirning like an almond tree

My heart is losing sweetness
On Monday you seeded me,
On Tuesday I wa fine,
On Wednesday I saw the sun
On Thursday I went blind
On Friday you burned me down
(Look) what you've done
What you've done, what you've done
What you've done, what you've done

And do you feel
That I'm buirning like an almond tree
My heart is losing sweetness

And do you feel
That I'm buirning like an almond tree
My heart is losing sweetness
On Monday you seeded me,
On Tuesday I wa fine,
On Wednesday I saw the sun
On Thursday I went blind
On Friday you burned me down
(Look) what you've done
What you've done
On Friday you burned me down
What you've done
