Sometimes it is so so hard
And sometimes we are falling down
We are losing all our hope
And touch the ground
But we know
We've got wings to fly
And we know
They could take us high(er)
We just need to fight
And we could touch the sky

So would you come with us,
Would you leave this place?
Together we're not
Far from grace
Let's spread our wings,
Let's start to fly
Let's show that
We can make it

What you gonna say,
What you gonna say
Woah oh oh, woah oh oh
Here we go again ,
Here we fight again
Woah oh oh , woah oh oh
And up, and down,
And up, and down
And up, and down,
And up.....

Sometimes we are so so tired
And sometimes we could fall asleep
But a gentle whisper said:
"Don't close your eyes!"

So would you come with us,
Would you leave this place?

Together we're not
Far from grace
Let's spread our wings,
Let's start to fly
Let's show that
We can make it

What you gonna say,
What you gonna say
Woah oh oh, woah oh oh
Here we go again,
Here we fight again
Woah oh oh, woah oh oh
And up, and down
And up, and down
And up, and down
And up.....

What you gonna say
What you gonna say
What you gonna say
What you gonna say

ooo - ooo - ah,

What you gonna say
What you gonna say
Woah oh oh
Woah oh oh
Here we go again
Here we fight again
Woah oh oh
Woah oh oh
What you gonna say
What you gonna say

Here we go again
Here we fight again
And up, and down
And up, and down
And up, and down
And up and down

Submitter's comments:Â

Okay friends - Here is a fairly new band here in Germany. This song is from their newly-released first album, Kill the Silence. So far, all their songs are English - so for those people who can translate English to German well - here's your shot!! I really hope this will be the only English to German I do - because I'm not that good at it!!!

Enjoy -
