As I walk on by,
I wonder why.
Life's too short,
You can't stop time.

Let me take you to a place,
Where everyone has a smiling face.

La di da dam dam dam damoweyoh
La di da dam dam dam damoweyohweyoh
La di da dam dam dam damoweyoh
La di da dam dam dam damoweyohweyoh

Smiling faces!

When I think of life,
I wonder why,
Music makes the world go round.

Let me take you to a place,
Where everyone has a smiling face.

La di da dam dam dam damoweyoh
La di da dam dam dam damoweyohweyoh
La di da dam dam dam damoweyoh
La di da dam dam dam damoweyohweyoh

Smiling faces!

I'll take you away...
I'll take you away...
