Danny:

No other face could take you off my mind
You're so refined
And much too kind
I have to warn you I'm never gonna set you free
'Cause I was born to love you for eternity

Whenever you're away from me
Wherever you go
You're never far away from me
I want you to know
I only have to close my eyes dear
And suddenly I'm where you are
You better never stray
'Cos I'll never be far away

Tangerine/Clio:

On every breeze I seem to hear your name

Danny:

My heart's aflame

Tangerine/Clio:

I feel the same

Both:

I'd fall apart dear

If you let the feelin' end
Don't break a heart dear
Nobody else could mend

Whenever you're away from me
Wherever you go
You're never far away from me
I want you to know
I only have to close my eyes dear
And suddenly I'm where you are
You better never stray
'Cos I'll never be far away

(Tangerine/Clio Scatting/Tap Dance)

Tangerine/Clio:

You better never stray

Better never stray

You better never stray,

'Cos I'll never be far away

Danny:

You better never stray,

'Cos I'll never be far away
