I found myself today  
And now I'm glad to say  
I'm living life  
Straight from the heart

Oh, what a gift to see  
I'm lucky to be me  
And now I just can't  
Wait to start

I keep on rising up  
No coming down  
So hang on for the ride

Look how high we can fly  
Look how high we can fly  
It's a beautiful view  
From up here in the sky  
There's nothing we can't do  
Together me and you  
Look how high we can fly

Oh, oh, look how high we can fly

On this perfect day  
Nothing's standing in my way  
On this perfect day  
When nothing can go wrong

It's the perfect day  
Tomorrow's gonna come too soon  
I could stay  
Forever as I am

On this perfect day  
It's a perfect day

Mirabella  
Put your hands up for me  
Come on  
Here we are  
Let's go  
Here we are  
One, two, three, four

Here we are  
Being who we want (be who we want)  
Giving what we got (give what we got)  
Never a doubt now (never a doubt now)

Here we go  
Burning like a spark (burn like a spark)  
Light up the dark again (here we go)

Here we are  
Being who we want (be who we want)  
Giving what we got (give what we got)  
Never a doubt now (never a doubt now)

Here we go  
Burning like a spark  
Light up the dark again

Again

Again

Again

Again and again and again (again and again and again and again)

Again

Again

Again

Again and again and again and again and again

Here we go
