If no one ever tried,  
We never would've known to fly.

If no one ever dared  
We never would've built so high.

Am I going crazy?  
Am I going crazy?

If all that I can think  
Is giving us another try?

We can take our hearts,  
Make them whole again!  
We can take our hearts,  
Make them whole again!  
Again, again,

We can take our hearts,  
Make them whole again!  
We can take our hearts  
And I will wait for you,  
As long as I'm living!

I was always runnin',  
I can never get enough.  
Never really knew  
The dreams that I was dreaming of.

Call me crazy, call me crazy,  
But anybody who has looked  
Into your eyes has known.

We can take our hearts,  
Make them whole again!  
We can take our hearts,  
Make them whole again!

We can take our hearts,  
Make them whole again!

Again,

We can take our hearts,  
Make them whole again!

Again,

We can take our hearts,  
Make them whole again!

Yeah I go on and on and on again

On and on and on

Yeah I go on and on and on again

On and on and on

And I will wait for you,

As long as I'm living!

If no one ever tried,

We never would've known to fly!
