Working so hard, I was alone
Too much on my kind, too much going on
Lately Iâ€™ve found Iâ€™m headed astray
And none of your feels care in to play
I am stronger, stronger, stronger
Cause now I can see the things that use me
Iâ€™m stronger, stronger,
Cause I know that youâ€™re saving me

I will try, try, try not to bring it all hold
I will fight, fight, fight for every hope before
You donâ€™t even want this
You donâ€™t even mean this
You donâ€™t have to cover up the tears at all
Cause I will try, try, try not to bring it all whole

10 days of fire when 3 seems insane
You canâ€™t hit my boys just still in my name
A call from a fire a message to send
I pray you gonnâ€™...nothing has changed
I am stronger, stronger, stronger
Cause now I can see the things that use me
Iâ€™m stronger, stronger,
Cause I know that youâ€™re saving me

I will try, try, try not to bring it all hold
I will fight, fight, fight for every hope before
You donâ€™t even want this
You donâ€™t even mean this
You donâ€™t have to cover up the tears at all
Cause I will try, try, try not to bring it all whole

I gotta try now
Iâ€™ve been breaking this for far too long
So I, I, I
I will try, try, try not to bring it all hold

I will try, try, try not to bring it all hold
I will fight, fight, fight for every hope before
You donâ€™t even want this
You donâ€™t even mean this

You don't have to cover up the tears at all
Cause I will try, try, try not to bring it all whole
