God gave me the sunshine,
Then showed me my lifeline
I was told it was all mine,
Then I got laid on a lay line
What a day, what a day,
And your Jesus really died for me
Then Jesus really tried for me

UK and entropy,
I feel like it's screwing me
Wanna feed off the energy,
Love living like a deity
What a day, one day,
And your Jesus really died for me
I guess Jesus really tried for me

Bodies in the Bhodi tree,
Bodies making chemistry
Bodies on my family,
Bodies in the way of me
Bodies in the cemetery,
And that's the way it's gonna be

All we've ever wanted
Is to look good naked
Hope that someone can take it
God save me rejection
From my reflection,
I want perfection

Praying for the rapture,
'Cause it's stranger getting stranger
And everything's contagious
It's the modern middle ages
All day every day
And if Jesus really died for me
Then Jesus really tried for me

Bodies in the Body tree,
Bodies making chemistry
Bodies on my family,

Bodies in the way of me
Bodies in the cemetery,
And that's the way it's gonna be

All we've ever wanted
Is to look good naked
Hope that someone can take it
God save me rejection
From my reflection,
I want perfection

Bodies in the Body tree,
Bodies making chemistry
Bodies on my family,
Bodies in the way of me
Bodies in the cemetery,
Bodies in the body tree,
Bodies making chemistry
Bodies on my family,
Bodies in the way of me
Bodies in the cemetery,
And that's the way it's gonna be

All we've ever wanted
Is to look good naked
Hope that someone can take it
So God save me rejection
From my reflection,
I want perfection

Jesus didn't die for you, what do you want?
(I want perfection)
Jesus didn't die for you, what are you on?
Oh Lord
(Jesus really died for you) Ohh
(Jesus really died for you)
(Jesus really died for you) Ohh
