I've tasted love and I can't return
All my doubts and fears are burned
I've been set free, a rescued soul
I'm finally out of the cold
I've tasted love and I can't return

I'm growing old
And I've been told that it won't last
But I've tasted love
Now I can't go back

I have gained and I have lost
Joy accompanied the cost
I've been set free, a rescued life
I'm finally at home tonight
I've tasted love and I can't return

I'm growing old
And I've been told that it won't last
I've tasted love
Now I can't go back

I'm growing old
And I've been told that it won't last
Oh and let it be said
That I've tasted love, I will never go back

Love is here calling me home
And now I can't return
