Praise the eternal One, Father, Spirit, Son
Our hands raised, we will praise the eternal One
Sing praise to You our King from our souls we sing
Our hands raised, we will praise the eternal One, the
One

Let the whole world sing Hallelujah
Let the whole world sing Hallelujah

And You, You have saved us
You, You have changed us
You have set us free, Liberating King

And You, You have saved us
You, You have changed us
You have set us free, Liberating King

Praise the God of hope, spirit draw us close
Our hands raised, forever praise the God of hope
Oh, praise the eternal One, Father, Spirit, Son
Our hands raised, we will praise the eternal One, the
One

Let the whole world sing Hallelujah
Let the whole world sing Hallelujah

You, You have saved us
You, You have changed us
You have set us free, Liberating King

You, You have saved us
You, You have changed us
You have set us free, Liberating King

Oh, raise you voice louder still, let the people sing
Raise you voice louder still, let the nations scream
Raise you voice louder still, let it go, let it build
Raise you voice louder still, I sing, sing

You, You have saved us
You, You have changed us
You have set us free, Liberating King

You, You have saved us
You, You have changed us
You have set us free, Liberating King

You, oh, no, no, no, no
Oh, no, no, no, no
Oh, no, no, no, no
Oh, no, no

You, You have saved us
You, You have changed us
You have set us free, Liberating King
