"Faith Of Our Fathers"

We are not alone
We did not begin here
Standing on your own
You are not forgotten
To all who've gone before
All who've gone before
This is our faith
Faith of our fathers
Faith of our fathers
Faith of all martyrs
This is our faith
Faith of believers
Faith of believers
This is our faith
We are not alone
We are no the end all
Faith is living on
Well beyond these years
So to all who've gone before
And all who go ahead
Faith in You
