(Hello, hello, hello)

Yoko's cutting keys in Soho  
I've been there and I should know oh face it  
I'll stick up for Aunty Sally  
Worzel's just a dirty scally fragrant  
Mia Farrow's patching marrows down at the place  
where all the face fit  
Robin Cousins doing dozens on a little pudding so he  
rakes it

I'm the reserection  
I may steal your soul  
I am fairly evil  
I live for rock and roll

Shirley Bassey's playing Lassie up a pole in  
Tallahassee hates it  
Norris McWhirter's doing furters in a little place how's  
he fake it  
It's another appetiser I can go and buy a Tizer laced fit  
I don't know where I've been but I know where I've been  
is near a lake

I am an erection  
I may steal your soul  
I am fairly evil  
I live for rock and roll

(Sock it to me daddy)

I am an erection  
I may steal your soul  
I am fairly evil  
Only for rock and roll

(Dance dance)  
(yeah yeah)

(Hello, hello)
