"Merciful King"

Our creator, our redeemer
Our maker and merciful king
Our creator, our redeemer
Our maker and merciful king

Who is like you, O, God?
Who is like you, O, God?

Merciful king
You are enough
Merciful king
You are my love

Restore my soul
You are enough
Redeeming creator
Save us, O, maker

Merciful king
Where oceans are shores
You are my love
Where skies become ground

You are my love
Where souls are restored
And mercy is born
You are my love, you are my love
