She's taking me places
I should never have been
She's showin' me faces
I should never have seen
Well these are strange days we're livin' in today
Cest la vie I say

I hope I'm old before I die
I hope I live to relive the days gone by
I hope I'm old before I die
But tonight I'm gonna live for today
So come along for the ride
I hope I'm old before I die

She's not feeling stable
She's unable to breathe
Her heart's beating faster
So I'll ask her to leave
These are strange days we're livin' in today
Am I straight or gay

I hope I'm old before I die
I hope I live to see the day
The pope gets high
I hope I'm old before I die
Well tonight I'm gonna live for today
So come along for the ride
I hope I'm old before I die

Well these are strange days we're livin' in today
Cest la vie I say, I say, I say

I hope I'm old before I die
I hope I live to relive the days gone by
I hope I'm old before I die
But tonight I'm gonna live for today
So come along for the ride
I hope I'm old before I die
Old before I die
Old before
Old before

Old before I die
Old before I die
