Queen Bitch, eat the rich
I'm on the second course today
I'm not the first, and I won't be the worst
She's done most of L.A.
Can't find a virgin, I can get you a surgeon
Twenty-four hours a day
Collagen Jeanie, you big-lipped meanie
I'm about to be blown away
Come on, sing it

Take me to the place where the sunshine flows
Oh my Sunset, Rodeo

Hot fudge, here come the judge
There's a Green Card in the way
The Holy Ghost and the whole East Coast are moving to L.A.
And we've been dreaming of this feeling since 1988
Mother, things have got to change
I'm moving to L.A.

Take a piss, always English
God bless you, Uncle Sam
You got a cool gene pool and our winter's cruel
And God knows I love to tan
Making cents and dead Presidents
Before I could count to ten
With a nation behind me, can't stop the limey
She's on her back again
Come on, sing it

Take me to the place where the sunshine flows
Oh my Sunset, Rodeo

Hot fudge, here come the judge
There's a green card in the way

The Holy Ghost and the whole East Coast are moving to
L.A.

Cause we've been dreaming of this feeling since 1988
Mother things have got to change
I'm moving to L.A.

L.A.,L.A.,L.A. L.A.,L.A.,L.A. L.A.,L.A.,L.A.

Take me to the place where the sunshine flows
Oh my Sunset, Rodeo

Hot fudge, here come the judge
There's a Green Card in the way
The Holy Ghost and the whole East Coast are moving to
L.A.
Cause we've been dreaming of this feeling since 1988
Mother, things have got to change
I'm moving to

Hot fudge here comes the judge
There's just a green card in the way
The Holy Ghost and the whole East Coast
Are moving to L.A.
Cause we've been dreaming
Of this feeling since 1988
Mother things have got to change
I'm moving to L.A.

Moving to L.A.

Keep on movin',
Keep on movin',
Keep on movin' to L.A.
L.A., L.A.
Gotta move down to L.A.

Keep on movin' keep on movin' on
Keep on movin', movin' on

Keep on movin', movin' on
Keep on movin' Keep on movin' on

Keep on movin' keep on movin' keep on movin'
Keep on movin' keep on movin' on

Keep on move, a move move a move a move move
move move move
And stop
