I've been hanging around
Just in case you fall in love with me
I know you have doubts
I hear when you shout
Cos I understand you see

I was concerned when you said
You'd rather wake up dead
Than spend a day with me
I know that's not you
I know and it's true
They don't understand you like I do

I've been hanging around
Just in case you fall in love with me
I know you have doubts
I hear when you shout
Cos I understand you see

[Spoken:]

Hi, it's me again...Yay, I got on parole!
Yeah, umm..If you could just..er..pick up the phone,
I'd like to talk to you, please!

I've seen misery
And have a strange empathy
With the woman who kidnaps her lover
This love ain't a dream
I know it's obscene
The calls that I left for your mother

I've been hanging around
Just in case you fall in love with me
I know you have doubts
I hear when you shout
Cos I understand you see

[Spoken:]

I love you, too...everyday...perhaps someday we could
meet...
Face to face this time...[*laughs...]

I'm sorry about that letter I sent you...
The newspaper cuttings and stuff...and blood...
[*laughs*]

I've been hanging around
Just in case you fall in love with me
I know you have doubts
I hear you when you shout
Cos I understand you see

Just tell me that you love me...
