(spoken)

Announcer: Hi out there. This is Shaun Goldberg and you're listening to

W.A.N.K. This evening I've got someone really interesting. He's over from

Old England and his name is... Robbie Williams

Rob: Cor blimey bleedin' Mary Poppins

Announcer: Great, Right On, you know we've been hearing about this boy

Band that was really big over there. Can you tell us a little bit about

It Robbie?

Rob: First of all, I'd like to say thank you very much for having me in

The first place but to answer your question I can't really answer it.

I suppose it was a bit like this.....

(sung)

Haaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaa

Riding in your limos

Hanging with your bimbos

Riding my old faithful

Bigger pin-up than Betty Grable

Kipper in the papers

Coke and whisky chasers

I ain't supposed to BOAST

But I don't care

I was a teenage millionaire

A teenage millionaire

A teenage millionaire

Yeah, yeah

Services for Britain

Pouting like a kitten

Dinner with Diana

I'm a social Stokey spanner

Waiting for my knighthood
She can pin it on my manhood
I ain't supposed to BOAST
But I don't care
I was a teenage millionaire
A teenage millionaire
A teenage millionaire
Yeah, yeah
A teenage millionaire
(It works out sometimes it's funny
Being stupid makes you lots of money)

Bothered Judy Garland
When I BUGGERED Barbara Cartland
Champagne in my bidet
The press all had a field day
You may think it's an outrage
My cleaners wearing bondage
She makes my place a mess
But I don't care
I was a teenage millionaire
A teenage millionaire
A teenage millionaire
Yeah, yeah
A teenage millionaire

Come on waif
It looks as if you need a good feeding.
