What am i supposed to do  
To keep from going under  
Now your making holes in my heart  
And yes it's starting to show  
I've been holding back  
Is it any wonder?  
Since you walked right into my life  
And interrupted the flow

## CHORUS

I wanna know  
Baby when you're with me  
Who do you think you're foolin'?  
Making me feel so sure  
Turnin' your lovelight down again  
Why don't you let me be  
You don't know what you're doin'  
Making me feel so sure  
And turnin' your lovelight down again

Did it again, did it again

Baby I've got to know  
Are we gonna make it?  
Lay it down right beside me tonight  
And do whatever you feel  
Baby you're in control  
Where you gonna take it?  
Don't you think that I'll do you right  
You know darn well that I will

## CHORUS

I wanna know  
Baby when you're with me  
Who do you think you're foolin'?  
Making me feel so sure  
Turnin' your lovelight down again  
Why don't you let me be  
You don't know what you're doin'  
Making me feel so sure

And turnin' your lovelight down again

Do it again, do it again

Do it again, do it again

Baby you turn your lovelight down

And I don't know,

Just how long I can stick around

Gonna need more,

And it ain't just physical

I dunno what I can do, if I've found

That It ain't love this time around

Keep turning down your lovelight, did it again (x 4)

CHORUS

Whenever you...

Baby when you're with me

Who do you think you're foolin'?

Making me feel so sure

Turnin' your lovelight down again

Why don't you let me be

You don't know what you're doin'

Making me feel so sure

And turnin' your lovelight down again
