Feelings are strange
Especially when they come true
And I had a feeling
You'd be leaving soon
So I tried to rearrange
All my emotions
But it seems the same
No matter what I do.

Chorus:
Blue umbrella
Rest upon my shoulder
Hide the pain
While the rain
Makes up my mind
Well, my feet are wet
From thinking this thing over
[Blue Umbrella lyrics on]And it's been so long
Since I felt the warm sunshine
Just give me one good reason
And I promise I won't ask you any more
Just give me one extra season
So I can figure out the other four.

Day time
Makes me wonder why you left me
Night time
Makes me wonder what I said
Next time
Are the words I'd like to plan on
But, last time
Was the only thing you said.

Chorus:
