I wake up to a clock that's rinning
Birds are singing on my telephone line
I work all day and I chase my woman
Why don't she chase me sometime

Everybody wants to be wanted
I mean I aint no scarecrow cop
I don't need no transalazation
I don't need no diddly bop

CHORUS

Next time tell me that you want me
Put your little foot inside of my shoe
Next time tell me that you need me
Everybody wants to feel like you
Everybody wants to feel like you
Everybody wants to feel like you

I used to love you so hard in the morning
I'd make you stutter and roll your eyes
I put your mind on a brief vacation
To the land of the lost suprise

CHORUS

You got a heart that beats like mine love
You got a bell that rings so true
I got this feeling I got to tiptoe
Round every little thing you do

CHORUS
