Morning Train  
John Prine

I saw you  
All dolled up  
Singing a song in your pickup truck  
You put me on a morning train  
You put me on a morning train  
Ain't no need to explain  
You put me on a morning train

Hey, Hey, Brother Ray  
What'd you mean by "what'd I say"  
You put me on a morning train

You put me on a morning train  
Ain't no need to explain  
You put me on a morning train

If it's gonna rain  
And I wish that it would  
Just go ahead and rain  
Get it over for good  
If there's really a hole in that big blue sky  
Then move it on over and let me by

Constantinople is a mighty long word  
Got three more letters than mockingbird  
You put me on a morning train

You put me on a morning train  
Ain't no need to explain  
You put me on a morning train

I like you with your make-up on  
All dolled up  
Singing a song  
You put me on a morning train

You put me on a morning train  
Ain't no need to explain

You put me on a morning train
