"Slow Down"

Told my servants I wasn't home, guess I just had to be
alone

Too many things to do

Such a silly phrase, prob'bly wind up a mental case

Too many things to do, too many things to do

Chorus:

I've got to slow down, and give myself a break

Slow down, could be my last mistake

Slow down, down, down

Won't be listing my new address, how'd my life
become such a mess?

I did a fast goodbye

Such a busy day, I've decided to get away

Tell all my friends goodbye, tell all my friends goodbye

(chorus)

(Solo)

I've got to slow down, and give myself a break

Slow down, could be my last mistake

Slow down, down, down

I've got to, got to slow down

I've got to, got to slow down
