"So Sad"

We used to have good times together
But now I feel them slip away
It makes me cry to see love die
So sad to watch good love go bad

Remember how we used to feel dear
You said nothing could change you mind
It breaks my heart to see us part
So sad to watch good love go bad

Is it any wonder that I feel so blue
When I know for certain that I'm losing you

Remember how we used to feel dear
You said nothing could change your mind
It breaks my heart to see us part
So sad to watch good love go bad
So sad to watch good love go bad
