Tell me what you're lookin' for, I gave you all I had
Now I'll leave it up to you, you can tell me if it's true
Chorus:

It's you who needs to who, it's you I need to show
To make it right again, and spend some time again
It's you who needs to who, I'll make it right again
Spend some time again, do you remember when
I love you so so I can't let you go, no

Tell me what you're lookin' for, I gave you all I had
Now I'll leave it up to you, you can tell me if it's true
(chorus)

I, I, love you so, can't let go

(Solo)

(chorus)

I said I really love you so, I said I cannot let you go
So if you open up your door, I said it's you I got to show
now

I said I really love you so, I said I cannot let you go
So if you open up your door, open up your door, open
up your door a
bit more

(Solo)
