[T.J:] T.J.

[Bath:] Bathgate nigga

[T.J:] Rico-la nigga

[Bath:] Y'all get ready

[Chorus]

Clap ya hands now people clap now

Clap ya hands now people clap ya hands

[T.J.]

Now what you know bout the kid on the strip

Mack extend a clip

I seen pappy get a brick

or crack from fity fifth

I'm not a game, I'm a gangsta

Slap you with the fifth

Lay low, eh yo! Back up in the mix

I'm a two time felon, two time rebellin

Do crime, do time, no sides are tellin

Rather blow with the case

Never roll with the state

Name hold heavy weight

I sold crack in every state

that I been through

I got plenty shots to send you

Your man too, better back up like an (?)

Whoa, you dudes don't really want it

I cock that glock back, bullets all in your stomach

I'm gangsta, thats with a capital G

Y'all niggas pranksters, don't wanna battle with me

Cause I take it the streets while y'all fakin on beats

The type that wanna speak when y'all faced with the heat

Dat ain't gangsta

[Bathgate]

Naw that ain't gangsta at all

Y'all niggas is soft

I kill style I'm rippen em off

Keep them dudes like hand nails, clippin em off

Man I'm attached to my money like I'm cotten em off (
