H. Zimmer/W. Jennings  
I have lived my life my way  
For tonight and for today  
It's the strongest hearts they say  
That always survive  
I'm fallin through the years  
As each dream it disappears  
When the night is full of tears  
I'll be holdin on  
Now this life is instant black  
But I won't be lookin back  
The rain washed out the tracks  
I'll never find again  
I'm still reachin for the light  
I'm still wearin out the night  
And you know I'll be alright  
I'll be holdin on  
When I stand alone  
I don't stand on memories  
Of all the ones you've known  
I'll be holdin on  
I know how it is  
I know how it will be  
(When) All the rest are gone  
I'll be holdin on  
Well my life is made of sand  
It flows right through my hand  
Each day I make a stand  
And I'll see it through  
I'll be reachin for the light  
I'll be wearin out the night  
And you know I'll be alright  
I'll be holdin on  
When I stand alone  
I don't stand on memories  
Of all the ones you've known  
I'll be holdin on  
I know how it is  
I know how it will be  
(When) All the  
rest are gone

I'll be holdin on  
I know how it is  
I know how it will be  
(When) All the rest are gone  
I'll be holdin on  
I know how it is  
I know how it will be  
(When) All the rest are gone  
I'll be holdin on
