Don't believe these angel eyes  
They will hurt you  
Don't believe this lovely smile..

Her love is radioactive  
Don't get too near to her  
'Cause you don't know that she's the nuclear bitch  
She'll burn your hands and break your heart  
She'll hurt your precious soul  
You won't recover  
It's an open wound

She will contaminate you

Don't believe these angel eyes  
They will hurt you  
Don't believe this lovely smile  
She's a devil in disguise and no goddess  
She's the nuclear bitch

So many other fools before have been right on your place  
And more will follow it will never end

She will contaminate you

Don't believe these angel eyes  
They will hurt you  
Don't believe this lovely smile  
She's a devil in disguise and no goddess  
She's the nuclear bitch

(Nuclear bitch, nuclear bitch, nuclear bitch, nuclear)

Don't believe these angel eyes  
They will hurt you  
(They will hurt you)  
Don't believe this lovely smile

(This lovely smile)  
She's a devil in disguise and no goddess  
(She is no goddess)  
She is the nuclear.
