[Chorus:]

I'm a Maori sitting in the sand
Got no money I don't understand
Do I ever, ever get annoyed
No, Cause I'm a Maori (I'm a Maori)
I'm a Maori Boy.

Boom bumped my head yeah I'm caught in a daze
See I'm the latest geek fashion testicle craze
would you look at my clothes and look at my faze
I play my Nintendo, every day.

See I get my clothes from the hokohoko shop
I shop till I drop and you know it don't stop
Cause I'm a Maori, I like my boil up salty
watching the warriors in the back of the club g.

Cool thing is no one picks on me
Cause I got to Massey university
I get side tracked pretty easily
But I don't even care cause C's get degree's.

My geek swagger it's the jam
I can be famous like the oysters from bluff
Like Michael Jackson said "Don't stop till you get enough".

[Chorus]

I'm like Maui gonna pull up the sun
Chuck my hook in the island now that's how it began
Till a Captain Cook came and brought his.....
And we said "Hey that's a crazy religion".

But I don't fight because I'm un-co as
But I know David Tua could give you the bash
All in his glory, see that's another story

See I'm a just a Hori I ain't got no cash.

But I can dance I can wiggle my thang

See I'm a jigglely wiggley man

Yeah people think it's right cause it's a fabulous thang

But I ain't no American.

[Chorus]

"Hey John Key look at me, I'm a Taniwha."
