I hear the wind howling  
Reminds me of Wuthering Heights  
And how Heathcliff and Kathy  
And how she wanted his love  
So badly  
So sadly  
She died

I hear the rain falling  
Reminds me how love left my life  
And my tears  
They fell like raindrops  
I feel the pain  
Still in my heart  
Won't ever stop  
Don't know why

How could you do to me  
Just what you did to me  
Torn up and twisted inside  
Hearts are breaking  
I know when she goes  
She'll be gone for the longest of time

I know as she goes  
She'll be gone for the longest of time, time, time  
My time, my time

How could you do to me  
Just what you did to me  
Torn up and twisted inside  
Hearts are breaking  
I know as she goes  
She'll be gone for the longest of time  
I know when she goes  
She'll be gone for the longest of time  
Time, time, time

I know, as she goes  
She'll be gone for the longest of time  
I know when she goes

She'll be gone for the longest of time  
Time, time, time
