Strollin in the park.
watching winter turn to spring.
Walking in the dark.
seeing lovers do their thing.

ooh-ooh that's the time I feel like making love to you.
that's the time I feel like making dreams come true ohh
baby.

When you talk to me
when you're moaning sweet and low.
when you're touching me
and my feelings start to show.

ooh-ooh that's the time I feel like making love to you.
that's the time I feel like making dreams come true ohh
baby.

In a resturant
holding hands by candlelight.
while I'm touching you
wanting you with all my might.

ooh-ooh that's the time I feel like making love to you.
that's the time I feel like making dreams come true ohh
baby.

Strollin in the park.
watching winter turn to spring.
Walking in the dark.
seeing lovers do their thing.

ooh-ooh that's the time I feel like making love to you.
that's the time I feel like making dreams come true ohh
baby.
