If I give my heart to you  
I must be sure  
From the very start  
That you would love me more than he.

If I trust in you oh please  
Don't run and hide  
If I love you too oh please  
Don't hurt my pride like him  
I couldn't stand the pain  
And I would be sad if our new love was in vain.

I couldn't stand the pain  
And I would be sad if our new love was in vain.  
So I hope you see that I  
Would love to love you  
And I feel that he will cry  
When he learns we are two

If I fell in love with you  
fell  
fell in love  
fell in love with you
