If you're looking for a lover  
You don't have to look no further  
I'm the one

If you want to have a good time  
Playing in the midnight sunshine  
I'm the one

If you're looking for a hot night  
I can put you in the spotlight  
I'm the one

If it's pleasure that you're after  
Party lights and fun and laughter  
I'm the one

When it comes to making love  
I am the best  
I'm all yours  
Put me to the test  
Love is my specialty  
And I know what to do  
To make you give your love to me

For real live celebration  
And a standing ovation  
I'm the one

Like a hundred angels strumming  
Baby, I can keep it coming  
I'm the one

When it comes to making love  
I am the best  
I'm all yours  
Put me to the test  
Love is my specialty  
And I know what to do  
To make you give it up  
I know what to do  
To make you give it up  
I know what to do

To make you give it up  
I know what to do  
To make you give your love to me

If you're looking for a lover  
You don't have to look no further  
I'm the one

If you want to have a good time  
Playing in the midnight sunshine  
I'm the one

When it comes to making love  
I am the best  
I'm all yours  
Put me to the test  
Love is my specialty  
And I know what to do  
To make you give your love to me

Making love I am the best  
I'm all yours  
Put me to the test  
It's my specialty  
I know what to do

Making love I am the best  
I'm all yours  
Put me to the test  
My specialty  
And I know what to do

Comes to making love  
I'm all yours
