I, I'm so in love with you  
Whatever you want to do is alright with me  
You make me feel so brand new  
And I want to spend my life with you

Let's, let's stay together  
Loving you whether  
Whether times are good, times are bad  
Times are happy, happy and sad

Why, somebody, why people break up  
Then turn around and make up? I just can't see  
And you would never do that to me  
Would you, baby?

Being around you is all I see  
It's what I want

And let's, let's stay together  
Loving you whether  
Whether times are good, times are bad  
Times are happy, happy and sad, yeah

We need to stay together  
We need to stay together  
We need to stay together  
We really need to stay together

We need to stay together  
We need to stay together  
We need to stay together  
We really need to stay together

We need to stay together  
We need to stay together  
We need to stay together  
We really need to stay together
