Here close to our feelings we touch again  
We love again  
Remember when we thought  
Our hearts would never mend  
And we're all the better for each other

There's more to love, I know  
Than making love

Here no more confusion  
We see our lives, we live our lives  
Remember when we thought  
We never would survive  
But now neither one of us is breaking

There's more to love, I know  
Than making love

Some things never change  
Some things sometimes do  
And now I'm feeling  
Strong enough to let you in  
And now neither one of us is breaking

Knowing now there's more to love  
Than making love

And I'll remember you and making love  
And I'll remember  
And I'll remember you  
And I'll remember  
And I'll remember you
