Yeah, yeah, yeah, oh, yeah

Tryin' times, what the world is talkin' about  
You got confusion all over the land, yeah  
You got mother against daughter, you got father  
against son  
You know the whole thing is gettin' out of hand

Then maybe folks wouldn't have to suffer  
If there was more love for your brother  
But these are tryin' times, yeah, yeah

You got the riots in the ghetto, it's all around  
A whole lot of things that's wrong is going down, yes, it  
is  
I can't understand it from my point of view  
'Cause I think you should do unto others  
As you'd have them do unto you

Then maybe folks wouldn't have to suffer  
If there was more love for your brother  
But these are tryin' times, yes, it is

I said man is always talking 'bout it's inhumanity to man  
But what is he tryin' to do to make it a better man?  
Oh, just read the paper, turn on your TV  
You see folks demonstratin' about equality

But maybe folks wouldn't have to suffer  
If there was more love for your brother  
But these are tryin' times

Tryin' times, yeah, that's what the world is talkin' about  
You got confusion all over the land
