With Donny Hathaway

Woo, hoo, hoo
Woo, hoo, hoo

When you're down and troubled
And you need some lovin' care
And nothing
Nothing is goin' right

Hmmm
Close your eyes
And think of me
And soon I will be there
To brighten up even
Your darkest night

You just call out my name
And you know wherever I am
I'll come running
To see you again

Winter, spring, summer, or fall
All you got to do is call
And I'll be there
You've got a friend

Ain't it good to know
That you got a friend
People can be so cold
They'll hurt you
And desert you
And take your soul if you let them
Oh, but don't you let them

You just call out my name
And you know wherever I am
I'll come running
Run, run, running
To see you again

Look out, hey

Winter, spring, summer, or fall
All you have to do is call
And I'll be there
(I'll be there)
You've got a friend

Say it again
Woo hoo
You've got a friend
You got a friend indeed
You got a friend
You got a friend
Oh darling
You got a friend
Yeah, yeah, yeah
You got a friend
You got a friend
