When he's out walking everybody fret
When he's out stalking better keep behind the gate
Killer Ben! Killer Ben! Killer Ben!
He'll kill again
But who knows when?

He hasn't got a knife and he hasn't got a gun
When he opens up his mouth he'll just swallow you in
one
Killer Ben! Killer Ben! Killer Ben!
He'll kill again
But who knows when?

He lives in a grave yard that's getting rather full
Of bones and bodies and Ben he killed them all
Killer Ben! Killer Ben! Kill er Ben!
He'll kill again
But who knows when
