Ma-ma-ma-ma...
Ma-ma-ma my Mustang Ford

It's all put together with alligator leather and
My baby she don't know just what to do
My baby says "Hey keep cool, you"
She don't realise I'm hypnotised

It's all put together with alligator leather now

Ma-ma-ma-ma...
Ma-ma-ma my Mustang Ford

It's all put together with alligator leather yeah

My baby don't know I'm on the scene
My baby keep asking where I've been
My baby is guessing that I'm messing

It 's all put together with alligator leather and...

My my Mustang Ford...
I said ma-ma-ma-ma-my Mustang Ford
