Ray Dogg:

It was 1987tha year we drop Notorious it's all good  
we already gettin' that props in our neighborhood  
just then our crew would start to rearrange we  
never knew but in just one year our lives would forever  
change shit started goin' wrong right before our very  
eyes it's so fucked up my nigga Big T had ta die So  
now tha next 2  
months we blazin' up this funky town  
(buc buc) and when Tony Rome went to jail we were still  
down

Tony Rome:

Fresh up out my cells back where tha drama dwells and  
i can see shit  
done change in my crew but tha faces i see now are tha  
niggaz that  
stay true for one year it's been tough but still my trues  
has made it  
through that's how we do

Mack Devil E. Devious:

From that year tha Rome was locked me, Jeff
