The Victim EP
The Victim

[Verse 1]

Another day in paradise
Another victim for your life
So helpless, I fall for it every time

Now I'm backed against the wall
Sedated, but I won't forget
The innocence I've lost!

[Chorus]

Yeaaaah!
Run away like you don't care
Another day my life is unfair, I know
It's all the same, nothing's changing
Yeaaaah!
Another day my heart is breaking
And now there is no escaping, this love
A day in misery

[Verse 2]

Another fight, more wasted time
I'm still a victim in your eyes
You're reckless, it all falls apart tonight

I'm gonna walk right out that door
'Cause I won't take anymore
It's over now, it's over!

[Chorus]

Yeaaaah!
Run away like you don't care
Another day my life is unfair, I know
It's all the same, nothing's changing
Yeaaaah!
Another day my heart is breaking

And now there is no escaping, this love
A day in misery

[Bridge]

Ooooooo ooo ooooooo
Ohhh...Yeah, yeah, yeah...ooo
Run away like you don't care
Another day my life isn't fair
Ooooooo

[Chorus]

Yeaaaah!
Run away like you don't care
Another day my life is unfair, I know
It's all the same, it's all the same
Yeaaaah!
Another day my heart is breaking
And now there is no escaping, this love
A day in misery

Another day in paradise
Another victim for your life
So helpless, I fall for it every time
