Amaru  
The Victim EP/Love, Lies and Therapy  
Without You

[Verse 1]

Inside my head I feel alone  
You never cared enough to listen  
I won't be there when you wake up  
There's no changing my feelings this time

[Chorus]

'Cause I'm suffering  
There's no recovering, what you've done to me  
I need to get away  
I'm running on empty, without you

[Verse 2]

Take a look inside yourself (yourself)  
No memories left to share with me  
I'm killing myself over you  
There's no changing my feelings this time!

[Chorus]

'Cause I'm suffering  
There's no recovering, what you've done to me  
I need to get away  
I'm running on empty, without you  
I'm suffering  
There's no recovering, what you've done to me  
I need to get away  
I'm running on empty, without you

[Bridge]

Without you

x 2

Tell me what do you want from me

I'm dying here alone

Take a look inside yourself  
No memories left to share with me

[Chorus]

'Cause I'm suffering  
There's no recovering, what you've done to me  
I need to get away  
I'm running on empty, without you  
I'm suffering  
There's no recovering, what you've done to me  
I need to get away  
I'm running on empty, without you!

[Outro]

Without you

x 2

Tell me what do you want from me

x 3

'Cause I'm dying here alone
