Just cause the sun is shinin'  
that don't mean the rain ain't comin' on down  
Just cause the sun is shinin'  
that don't mean the rain ain't comin' on down

Comin' down on my brother  
as he walks through the fairways of life  
Comin' down on my sister  
as she struggles for a woman and a life

Comin' down on the wind  
as it blows from the north and the south  
Comin' down on the liar  
as he brings forth from his mouth

Just cause the sun is shinin'  
that don't mean the rain ain't comin' on down  
Just cause the sun is shinin'  
that don't mean the rain ain't comin' on down

Comin' down on the police  
as he carries a gun by his side  
Comin' down on the ocean  
and the river so wide

Comin down in the day  
just as sure as it turns into night  
Comin' down on the winner  
as he just won the prize  
Just cause the sun is shinin'  
that don't mean the rain ain't comin' on down  
Just cause the sun is shinin'  
that don't mean the rain ain't comin' on down

Way down  
Way down  
Way down

Just cause the sun is shinin'  
that don't mean the rain ain't comin' on down

Down on my brother

Down on my sister  
Down on the lover  
Down on the other

Down on my friend  
till the end  
Down on the lover  
that I know, Oh oh oh

Just cause the sun ain't shinin' you all  
that don't mean the rains comin' down  
Just cause the sun is shining  
that don't mean the rain ain't comin' on down
