She's my kind o' woman
From the tip of her toes
To her cute little nose she's a lady
A-and she loves me-ee-ee
Yes she's my kind of woman
And it's great bein' seen
She's in all of my dreams
'Cause I love her
She's my baby

I see her comin' (ooh-ooh-ooh)
I can hear her callin' me
The sound of laughter fills the air
The rain is fallin' (ooh-ooh-ooh)
But it don't bother me
Everything is fine when she is there

Because she's my kind o' woman
From the tip of her toes
To her cute little nose she's a lady
A-and she loves me-ee-ee
Yes she's my kind o' woman
And just lately it seems
She's in all of my dreams
'Cause I love her
She's my baby

At night beside me (ooh-ooh-ooh)
I can see her gentle smile
The worries of the day have passed
She beckons to me (ooh-ooh-ooh)
And whispers in my ear
Its good to be alone at night

Oh yes she's my kind o' woman
From the tip of her toes
To her cute little nose she's a lady
A-and she loves me-ee-ee
Yes she's my kind o' woman
And just lately it seems
She's in all of my dreams

'Cause I love her
She's my baby

Oh yes she's my kind o' woman
And just lately it seems
She's in all of my dreams
'Cause I love her
She's my baby
