Written by Robert Cray and Dennis Walker

Oh, I was warned about her love
But like a fool I went on
Whether they're right or wrong
At least the mystery is gone
The more people talked about her
The more I had to see
I had to find out for myself
What could she do for me
Her lips were so inviting
Her hands soft to touch
After just one kiss
I knew I was out of luck
From then on I was hers to control
And knowing that, she robbed me
Of my heart and robbed me of my soul
Oh I was warned about her love
And I'll have to stay strong
Whether they're right or wrong
At least the mystery is gone
From then on I was hers to control
And knowing that she robbed me of my heart
And robbed me of my soul, yeah
Oh I was warned about her love
But like a fool I went on
Whether they're right or wrong
At least the mystery is gone
She had a left hand filled with diamonds
And the other filled with lies
She saw right through me
There was no place to hide
Now I've finally learned my lesson
But you'll never tell
The pain her love left me
I hide so well
I go on day by day in fear
And knowing that I'll never, never love again
Only brings tears
Oh I was warned about her love
And I'll have to stay strong
Whether they're right or they're wrong

At least the mystery is gone
Whether they're right or wrong
At least the mystery is gone
I was warned about her love
