I get a constant busy signal when I call you on the
phone
I get a strong uneasy feeling you're not sitting there
alone
I'm having nasty nasty visions and baby you're in every
one, yeah
And I'm so afraid I'm gonna find you with that so called
smokin gun

Maybe you want to end it, you've had your fill of my
kind of fun
But you don't know how to tell me and you know that
I'm not that dumb
I put 2 and 1 together and you know that's not an easy
sum
And I know just where to find you with that well known
smokin gun

Instrumental bridge

I'm standing here bewildered, I can't remember just
what I've done
I can hear the sirens whining, my eyes blinded by the
sun
I know that I should be running, my heart's beating just
like a drum
Now they've knocked me down and takin it, that still hot
and smokin gun

Yeah still hot and smokin gun
Yes they've taken it
Still hot and smokin gun
Oh they've taken it
Still hot and smokin gun
Knocked me down, taken it
