Chloe, I know this isn't possible  
I've been checking my cards  
I've been shouting out at calendars and dates

I know this isn't possible  
I've been wasting your time  
I've been marking hours and marking hours as mine

So London might as well be Glasgow  
Might as well be Tokyo  
Or any place we're almost leaving

Chloe, I know this isn't possible  
Spent the week borrowing phones  
Squeezing in your number like:

0... 7... Fuck it, I'll call tomorrow  
All we have is miles and wires  
And all I am is calls tomorrow

So London might as well be Glasgow  
Might as well be Tokyo  
Or any place we're almost leaving

Pick me a song  
(Pick me a song)  
Cover up this awkward pause with silence broken and

Strings  
And if I'm wrong play it as parting shots of vodka,  
Embrace  
All Ennisdale charm and hearts aloft but  
Fireworks went, but never went off

I've been losing sleep  
Message read  
Shiver in a single bed

Doo doo doo doo doo

So London might as well be Glasgow

Might as well be Tokyo  
Or any place we're almost leaving

Pick me a song  
(Pick me a song)  
Cover up this awkward pause with silence broken and  
Strings  
And if I'm wrong play it as parting shots of vodka,  
Embrace  
All Ennisdale charm and hearts aloft but  
Fireworks went, but never went off

I've been losing track  
Writing back  
Shiver in a sleeping bag
