"Suicide Pact, Yeh?"

Visit "[Suicide Pact, Yeh?](#)" on MotoLyrics.com

One more failed suicide attempt and
I don't think you're trying anywhere hard enough
Its not as if we're stood here wishing you were dead
I just want you to succeed at something you wanted to
succeed at
And though you're tearing me
Close forth wise
Come firefight
I heard steps
Its come to care less
And everybodys there
I checked your underwear
Who wants check
Another dress to get
Discarded in a corner store
Gotta poke your privates (?)
Put some candles out
Put them candles out
Ex delta (??)
She's tight with dancers
She's says she's got it back
Put some candles out
Put them candles out

I got nothing to lose
I got nothing to lose
I got nothing to lose
I softening
I softening
I got nothing to lose
I got nothing to lose
You've got nothing to cruise
I got nothing to lose
I got nothing to lose
A pairs appening
A pairs afternoon
I got nothing to lose
So I can't have singing now
I got nothing to lose

Wife went shouted

Let me in at once and I was
Shouting, screaming
Police at the taxi rank
Its not as if we're stood here waiting for your blood
I just want you to succeed at something you wanted to
succeed at

And though you're tearing me
Close forth wise
Cool, volatile
Like roadkill
Its got red cos the gold wear our hearts outright
Who wear the racists down
No protest
Your phones charged
Cos you passed out in the taxi rank
We barely started so
Put some candles out
Put them candles out
I'm ashamed, I'm ashamed, I'm ashamed,
of the treaties like a raise
Cos you're only gonna lose
Put some candles out
Put them candles out

I got nothing to lose
I got nothing to lose
I got nothing to lose
I softening
I softening
I got nothing to lose
I got nothing to lose
You've got nothing to cruise
I got nothing to lose
I got nothing to lose
A pairs appening
A pairs afternoon
I got nothing to lose
So I can't have singing now
I got nothing to lose

Well it all comes back
We've all crept back
To the suicide pact
A heart attacks my attempt at trying
I'm trying, I'm trying, I'm trying, I'm trying
Make the best of what we have.
