Oooh...Oooh  
Wanna tell you I'm alright  
Wanna say I'm not in pain  
But I will just be telling lies  
I'm not okay, not okay

Wanna travel back in time  
Say the things I didn't say  
I wanna tell you everything if it's not too late  
Is it too late?

[CHORUS]

Will you be there if I call?  
Will you leave me in the rain?  
If I say it's all my fault, will you still walk away?  
I understand if you're afraid  
But people change, people change

Stay awake and talk to me  
Let me hold you while you sleep  
I've been out here on my own  
But you're my home, you're home

[CHORUS]

I'm not gonna let you down this time  
Darling don't be afraid  
People change and I can change

[CHORUS]

People change  
People change
